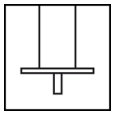
NOVUS DSS column with pin adapter

NOVUS Duo Support System columns provide the capability of attaching DSS supporting arm elements. Attractive in looks and in price – they offer maximum flexibility. In durable, robust material quality, the system is guaranteed to give you a stunningly simple, secure and adaptable means of attaching supporting arms for TFT screens. The elegant, 445 mm long aluminium profile serves as a support column and can be put into different desk adapters of the office furniture industry by means of the location pin assembly which has a diameter of 16 mm. Two cable clips are included as a practical aid for routing cables.



Pin adapter. The pin adapter consists of a 16 mm diameter push-in stud. Convenient attachment to various desk adapters from the office furniture industry.

When used conventional.

Available in silver/ anthracite
